**DAIRY  
AND POULTRY  
MARKET NEWS  
SERVICE**

**U.S. DEPARTMENT OF AGRICULTURE  
Agricultural Marketing Service**

Washington, D. C.

AMS-221

Revised November 1962

## What it is

- A government news service performed for the benefit of all persons interested in the production, processing, marketing, distribution, and consumption of dairy and poultry products.
- A nationwide network of market news offices located in major producing areas and terminal markets--connected by nearly 15,000 miles of leased teletype lines--providing up-to-the-minute news from coast to coast.
- A staff of competent, experienced reporters dedicated to providing a timely and unbiased public service.

Supported by Federal and State funds.

# market news

## How you get it

- Look and listen for market news reports in newspapers and over radio and television--or ask for them if they are not being carried.
- All market information and prices released by the Dairy and Poultry Market News Service are available free to newspapers, to radio and television stations, to wire services, and by mailed reports to all interested persons.
- If you need mailed reports, in addition to those broadcast or published in newspapers, fill in the blank on the back of this page and mail it to your nearest market news office, indicating the products in which you are interested.

## POULTRY PRODUCTS

live and processed poultry  
live and processed turkeys  
live and processed rabbits  
animal feed dry milk products

To receive a printed market news report fill out this coupon, tear off, and mail to your nearest market news office. (See office listings on opposite panel)
